A Message from the President of The Rotary Club of Wolverhampton

It is my pleasure to welcome you to Himley for a great day out for all the family at the Nineteenth Dragon Boat Challenge.

Our event is all about having fun and raising money for charitable causes. Over the course of eighteen years, numerous charities have benefited from more than £380,000 raised by the event.

Each crew member raises money for the sponsorship of their boat from friends, colleagues and family. Half of the sponsorship is donated to the charity nominated by the crew, and the other half is donated to the Rotary Charitable Trust for distribution to needy causes locally, nationally and worldwide.

If you would like to learn more about Rotary, or would like to join us, why not have a chat with any of the Rotarians here today or visit our website. www.rotaryclubwolverhampton.co.uk.

We are grateful to the companies, organisations and individuals who have entered boats, and to all the crew members who have worked so hard to support us in this major fund raising event. We thank you for coming along and hope you have a great day.

President Paul Lockley
